Dear Ms Pearson

Thank you for your letter regarding the Public Hearing at The Mechanic Institute in Manchester on 21st April which I regret I will be unable to attend as I must be in London on Committee in the House that day.

I am a strong supporter of the present First Past the Post System. I believe that Proportional Representation gives over a fair share to minorities and the system in New Zealand is a disaster. I believe we must retain single member constituencies and only one type of MP. These, very briefly, are my views.

Yours sincerely

PETER L PIKE MP
